Appendix Three:

Phototherapy at Home Service

Agreement Form

Initial

- I have been given sufficient information to enable me to choose the Phototherapy at Home service for my newborn. This has been fully explained and I undertake to comply with all the guidance given to me for using the equipment in our home
- I will ensure that the eye patches are correctly applied whenever my baby is receiving phototherapy
- I will ensure that my baby is fed regularly to maintain good hydration and I will remove them from the phototherapy unit during feeds and nappy changes
- I (or another responsible adult) will always be available to monitor the baby whilst receiving phototherapy
- I agree to return all the equipment at the end of the phototherapy treatment period
- I am aware of how to report any problems or concerns and I will contact the team promptly or the Neonatal Unit if out-of-hours
